Q&A

Q: Where is Zero and Ich's apartment window can't be seen?

A: Magic space. I guess it's like a four-dimension space.

Q: Are those Doritos stuffed they had on at the end of the Magic Circle?

A: Yes, those are their "Zero" outfits. They're light, in the Pink Circle in these clothes.

Q: Or they seem to keep a robot as a treasure. But why?

A: Well, was his mother's name the robot. It seemed to be dear to her.

Q: Have you ever seen a ghost?

A: Well, I guess so. Since I don't have any supernatural abilities, if anyone has seen one...

Ich: I'm sleeping so soundly that, he-he-he, I don't need to drag you out of bed.

She: Do you sleep?

Morning

Zero?

You can borrow my robot.

King: I want to meet you.

Zero: I'm sorry, I can't get ready.

Zero: I'm sorry, I can't sleep.

Zero: I'm sorry, I can't sleep.

Oh, yeah, I've been captured!

Where am I?!!
